

Make it Count

The rising cost of health insurance is causing employers to raise the deductible to keep the premiums affordable.

Medical Bridge

- Generates cash benefits to help pay your out of pocket medical expenses
- Health savings account (HSA) compliant
- Fast and direct claim payments

Has the rising cost of health care caused you to scrap your employer provided health insurance?

Colonial Health Advantage

- Provides limited benefits to help cover health care costs
- Benefits for doctor office visits, diagnostic testing, hospital confinement and more
